1. WHAT INFORMATION DO WE COLLECT?

Personal information you disclose to us

In Short: We collect personal information that you provide to us.

We collect personal information that you voluntarily provide to us when you register on the Services, express an interest in obtaining information about us or our products and Services, when you participate in activities on the Services, or otherwise when you contact us.

Personal Information Provided by You. The personal information that we collect depends on the context of your interactions with us and the Services, the choices you make, and the products and features you use. The personal information we collect may include the following:

- Your first and given name
- Your email address
- Your date of birth
- Your gender
- Your appearance (through a non-mandatory profile picture)

Sensitive Information. We do not process sensitive information.

Payment Data. We may collect data necessary to process your payment if you make purchases, such as your payment instrument number (such as a credit card number), and the security code associated with your payment instrument. All payment data is stored by Stripe Inc. You may find their privacy notice link(s) in their privacy center or alike.

Social Media Login Data. We may provide you with the option to register with us using your existing social media account details, like your Facebook, Twitter, or other social media account. If you choose to register in this way, we will collect the information described in the section called “*HOW DO WE HANDLE YOUR SOCIAL LOGINS?*” below.

Application Data. If you use our mobile application, we also may collect the following information if you choose to provide us with access or permission:

- *Geolocation Information.* We may request access or permission to track location-based information from your mobile device, either continuously or while you are using our mobile

application, to provide certain location-based services. If you wish to change our access or permissions, you may do so in your device's settings.

- *Mobile Device Access.* We may request access or permission to certain features from your mobile device, including your mobile device's bluetooth, calendar, camera, and other features. If you wish to change our access or permissions, you may do so in your device's settings.
- *Mobile Device Data.* We may automatically collect certain information from your mobile device, including device identification (such as mobile device ID, model, and manufacturer), operating system and version details, system configuration, device and application identification numbers, browser type and version, hardware model, Internet service provider and/or mobile carrier, and Internet Protocol (IP) address (or proxy server). If you are using our application, we may also gather information related to the phone network associated with your mobile device, the operating system or platform of your device, the type of mobile device, its unique device ID, and data regarding the features of our application that you accessed.
- *Push Notifications.* We may request to send you push notifications regarding your account or certain features of the application. If you wish to opt out from receiving these types of communications, you may turn them off in your device's settings.

This information is primarily needed to maintain the security and operation of our application, for troubleshooting, and for our internal analytics and reporting purposes.

All personal information that you provide to us must be true, complete, and accurate, and you must notify us of any changes to such personal information.

Information automatically collected

***In Short:** Some information — such as your Internet Protocol (IP) address and/or browser and device characteristics — is collected automatically when you visit our Services.*

We automatically collect certain information when you visit, use, or navigate the Services. This information does not reveal your specific identity (like your name or contact information) but may include device and usage information, such as your IP address, browser and device characteristics, operating system, language preferences, referring URLs, device name, country, location, information about how and when you use our Services, and other technical information. This information is primarily needed to maintain the security and operation of our Services, and for our internal analytics and reporting purposes.

The information we collect includes:

- *Log and Usage Data.* Log and usage data is service-related, diagnostic, usage, and performance information our servers automatically collect when you access or use our Services and which we record in log files. Depending on how you interact with us, this log data may include your IP address, device information, browser type, and settings and information about your activity in the Services (such as the date/time stamps associated with your usage, pages and files viewed, searches, and other actions you take such as which features you use), device event information (such as system activity, error reports (sometimes called “crash dumps”), and hardware settings).
- *Device Data.* We collect device data such as information about your computer, phone, tablet, or other device you use to access the Services. Depending on the device used, this device data may include information such as your IP address (or proxy server), device and application identification numbers, location, browser type, hardware model, Internet service provider and/or mobile carrier, operating system, and system configuration information.
- *Location Data.* We collect location data such as information about your device’s location, which can be either precise or imprecise. How much information we collect depends on the type and settings of the device you use to access the Services. For example, we may use GPS and other technologies to collect geolocation data that tells us your current location (based on your IP address). You can opt out of allowing us to collect this information either by refusing access to the information or by disabling your Location setting on your device. However, if you choose to opt out, you may not be able to use certain aspects of the Services.

Information collected from other sources

***In Short:** We may collect limited data from public databases, marketing partners, social media platforms, and other outside sources.*

In order to enhance our ability to provide relevant marketing, offers, and services to you and update our records, we may obtain information about you from other sources, such as public databases, joint marketing partners, affiliate programs, data providers, social media platforms, and from other third parties. This information includes mailing addresses, job titles, email addresses, phone numbers, intent data (or user behavior data), Internet Protocol (IP) addresses, social media profiles, social media URLs, and custom profiles, for purposes of targeted advertising and event promotion. If you interact with us on a social media platform using your social media account (e.g., Facebook or Twitter), we receive personal

information about you such as your name, email address, and gender. Any personal information that we collect from your social media account depends on your social media account's privacy settings.

2. HOW DO WE PROCESS YOUR INFORMATION?

***In Short:** We process your information to provide, improve, and administer our Services, communicate with you, for security and fraud prevention, and to comply with law. We may also process your information for other purposes with your consent.*

We process your personal information for a variety of reasons, depending on how you interact with our Services, including:

- **To facilitate account creation and authentication and otherwise manage user accounts.** We may process your information so you can create and log in to your account, as well as keep your account in working order.
- **To deliver and facilitate delivery of services to the user.** We may process your information to provide you with the requested service.
- **To respond to user inquiries/offer support to users.** We may process your information to respond to your inquiries and solve any potential issues you might have with the requested service.
- **To send administrative information to you.** We may process your information to send you details about our products and services, changes to our terms and policies, and other similar information.
- **To fulfill and manage your orders.** We may process your information to fulfill and manage your orders, payments, returns, and exchanges made through the Services.
- **To personalize invitations.** When you use our invite functionality (via email or in-app), we may process your personal information, including your real name, to display it in the invitation, allowing for a more personalized user experience.
- **To enable user-to-user communications.** We may process your information if you choose to use any of our offerings that allow for communication with another user.
- **To request feedback.** We may process your information when necessary to request feedback and to contact you about your use of our Services.
- **To send you marketing and promotional communications.** We may process the personal information you send to us for our marketing purposes, if this is in accordance with your marketing preferences. You can opt out of our marketing emails at any time.

- **To deliver targeted advertising to you.** We may process your information to develop and display personalized content and advertising tailored to your interests, location, and more.
- **To protect our Services.** We may process your information as part of our efforts to keep our Services safe and secure, including fraud monitoring and prevention.
- **To identify usage trends.** We may process information about how you use our Services to better understand how they are being used so we can improve them.
- **To determine the effectiveness of our marketing and promotional campaigns.** We may process your information to better understand how to provide marketing and promotional campaigns that are most relevant to you.
- **To save or protect an individual's vital interest.** We may process your information when necessary to save or protect an individual's vital interest, such as to prevent harm.

3. WHAT LEGAL BASES DO WE RELY ON TO PROCESS YOUR INFORMATION?

***In Short:** We only process your personal information when we believe it is necessary and we have a valid legal reason (i.e., legal basis) to do so under applicable law, like with your consent, to comply with laws, to provide you with services to enter into or fulfill our contractual obligations, to protect your rights, or to fulfill our legitimate business interests.*

We may process your information if you have given us specific permission (i.e., express consent) to use your personal information for a specific purpose, or in situations where your permission can be inferred (i.e., implied consent). You can withdraw your consent at any time.

In some exceptional cases, we may be legally permitted under applicable law to process your information without your consent, including, for example:

- If collection is clearly in the interests of an individual and consent cannot be obtained in a timely way.
- For investigations and fraud detection and prevention.
- For business transactions provided certain conditions are met.
- If it is contained in a witness statement and the collection is necessary to assess, process, or settle an insurance claim.
- For identifying injured, ill, or deceased persons and communicating with next of kin.
- If we have reasonable grounds to believe an individual has been, is, or may be a victim of financial abuse.

- If it is reasonable to expect that collection and use with consent would compromise the availability or the accuracy of the information and the collection is reasonable for purposes related to investigating a breach of an agreement or a contravention of the laws.
- If disclosure is required to comply with a subpoena, warrant, court order, or rules of the court relating to the production of records.
- If it was produced by an individual in the course of their employment, business, or profession and the collection is consistent with the purposes for which the information was produced.
- If the collection is solely for journalistic, artistic, or literary purposes.
- If the information is publicly available and is specified by the regulations.

This section applies in accordance with relevant federal privacy laws, such as the Children's Online Privacy Protection Act (COPPA) if applicable, and any state-specific privacy laws that may apply to our operations. We will update this section as necessary to reflect compliance with privacy requirements in additional states or jurisdictions.

4. WHEN AND WITH WHOM DO WE SHARE YOUR PERSONAL INFORMATION?

***In Short:** We may share information in specific situations described in this section and/or with the following categories of third parties.*

Vendors, Consultants, and Other Third-Party Service Providers. We may share your data with third-party vendors, service providers, contractors, or agents (“**third parties**”) who perform services for us or on our behalf and require access to such information to do that work. We have contracts in place with our third parties, which are designed to help safeguard your personal information. This means that they cannot do anything with your personal information unless we have instructed them to do it. They will also not share your personal information with any organization apart from us. They also commit to protect the data they hold on our behalf and to retain it for the period we instruct. The categories of third parties we may share personal information with are as follows:

- Ad Networks
- Affiliate Marketing Programs
- Cloud Computing Services
- Communication & Collaboration Tools
- Data Analytics Services
- Data Storage Service Providers
- Finance & Accounting Tools
- Government Entities
- Order Fulfillment Service Providers

- Payment Processors
- Performance Monitoring Tools
- Product Engineering & Design Tools
- Retargeting Platforms
- Sales & Marketing Tools
- Social Networks
- Testing Tools
- User Account Registration & Authentication Services
- Website Hosting Service Providers

We also may need to share your personal information in the following situations:

- **Business Transfers.** We may share or transfer your information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.
- **When we use Google Maps Platform APIs.** We may share your information with certain Google Maps Platform APIs (e.g., Google Maps API, Places API). To find out more about Google's Privacy Policy, please refer to this [link](#). We use certain Google Maps Platform APIs to retrieve certain information when you make location-specific requests.
- **Affiliates.** We may share your information with our affiliates, in which case we will require those affiliates to honor this privacy policy. Affiliates include our parent company and any subsidiaries, joint venture partners, or other companies that we control or that are under common control with us.
- **Business Partners.** We may share your information with our business partners to offer you certain products, services, or promotions.
- **Other Users.** When you share personal information (for example, by posting comments, contributions, or other content to the Services) or otherwise interact with public areas of the Services, such personal information may be viewed by all users and may be publicly made available outside the Services in perpetuity. If you interact with other users of our Services. Other users will be able to view descriptions of your activity, communicate with you within our Services, and view your profile.

5. WHAT IS OUR STANCE ON THIRD-PARTY WEBSITES?

***In Short:** We are not responsible for the safety of any information that you share with third parties that we may link to or who advertise on our Services, but are not affiliated with, our Services.*

The Services may link to third-party websites, online services, or mobile applications and/or contain advertisements from third parties that are not affiliated with us and which may link to other websites, services, or applications. Accordingly, we do not make any guarantee regarding any such third parties, and we will not be liable for any loss or damage caused by the use of such third-party websites, services, or applications. The inclusion of a link towards a third-party website, service, or application does not imply an endorsement by us. We cannot guarantee the safety and privacy of data you provide to any third parties. Any data collected by third parties is not covered by this privacy policy. We are not responsible for the content or privacy and security practices and policies of any third parties, including other websites, services, or applications that may be linked to or from the Services. You should review the policies of such third parties and contact them directly to respond to your questions.

6. DO WE USE COOKIES AND OTHER TRACKING TECHNOLOGIES?

***In Short:** We do not currently use cookies or similar tracking technologies, but we may implement them in the future.*

At present, we do not use cookies, web beacons, pixels, or other tracking technologies to collect or store your information. However, we may introduce these technologies in the future. If we do, we will update this policy to reflect those changes.

We encourage you to regularly check this policy for any updates regarding the use of cookies and tracking technologies.

7. HOW DO WE HANDLE YOUR SOCIAL LOGINS?

***In Short:** We do not currently offer social login options, but we may implement them in the future.*

At present, our Services do not support registration or login using third-party social media accounts (such as Facebook or Twitter). If we decide to introduce social login options in the future, we will update this policy to explain how we handle the information you provide through these social media accounts.

If we implement social logins, we may receive profile information from your social media provider, which could include details such as your name, email address, friends list, and profile picture, among other

information you choose to make public. We would use this information only for the purposes described in this privacy policy or as clearly communicated to you through our Services.

Please regularly review this policy for any updates regarding the use of social logins and how we may handle information from social media accounts.

8. IS YOUR INFORMATION TRANSFERRED INTERNATIONALLY?

***In Short:** We may transfer, store, and process your information in countries other than your own.*

Our servers are located in the United States of America. If you are accessing our Services from outside the United States of America, please be aware that your information may be transferred to, stored, and processed by us in our facilities and by those third parties with whom we may share your personal information.

9. HOW LONG DO WE KEEP YOUR INFORMATION?

***In Short:** We keep your information for as long as necessary to fulfill the purposes outlined in this privacy policy unless otherwise required by law.*

We will only keep your personal information for as long as it is necessary for the purposes set out in this privacy policy, unless a longer retention period is required or permitted by law (such as tax, accounting, or other legal requirements). No purpose in this policy will require us to keep your personal information for longer than three (3) months past the termination of the user's account.

When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymize such information, or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely store your personal information and isolate it from any further processing until deletion is possible.

10. HOW DO WE KEEP YOUR INFORMATION SAFE?

***In Short:** We aim to protect your personal information through a system of organizational and technical security measures.*

We have implemented appropriate and reasonable technical and organizational security measures designed to protect the security of any personal information we process. However, despite our safeguards

and efforts to secure your information, no electronic transmission over the Internet or information storage technology can be guaranteed to be 100% secure, so we cannot promise or guarantee that hackers, cybercriminals, or other unauthorized third parties will not be able to defeat our security and improperly collect, access, steal, or modify your information. Although we will do our best to protect your personal information, transmission of personal information to and from our Services is at your own risk. You should only access the Services within a secure environment.

11. DO WE COLLECT INFORMATION FROM MINORS?

***In Short:** We do not knowingly collect data from or market to children under 18 years of age.*

We do not knowingly solicit data from or market to children under 18 years of age. By using the Services, you represent that you are at least 18. If we learn that personal information from users less than 18 years of age has been collected, we will deactivate the account and take reasonable measures to promptly delete such data from our records. If you become aware of any data we may have collected from children under age 18, please contact us at contactsyne@yahoo.com.

12. WHAT ARE YOUR PRIVACY RIGHTS?

***In Short:** You have the right to review, change, or terminate your account at any time.*

Withdrawing your consent: If we are relying on your consent to process your personal information, which may be express and/or implied consent depending on the applicable law, you have the right to withdraw your consent at any time. You can withdraw your consent at any time by contacting us by using the contact details provided in the section “*HOW CAN YOU CONTACT US ABOUT THIS POLICY?*” below or updating your preferences.

However, please note that this will not affect the lawfulness of the processing before its withdrawal, nor when applicable law allows, will it affect the processing of your personal information conducted in reliance on lawful processing grounds other than consent.

Opting out of marketing and promotional communications: You can unsubscribe from our marketing and promotional communications at any time by clicking on the unsubscribe link in the emails that we send or by contacting us using the details provided in the section “*HOW CAN YOU CONTACT US ABOUT THIS POLICY?*” below. You will then be removed from the marketing lists — however, we may still communicate with you, for example to send you service-related messages that are necessary for the

administration and use of your account, to respond to service requests, or for other non-marketing purposes.

Account Information

If you would at any time like to review or change the information in your account or terminate your account, you can:

- Log in to your account settings and deactivate your user account
- Reach out to us using the contact information provided.

Upon your request to terminate your account, we will deactivate your account and remove your information from our active databases. However, we may retain some information in our files to prevent fraud, troubleshoot problems, assist with any investigations, enforce our legal terms and/or comply with applicable legal requirements.

If you have questions or comments about your privacy rights, you may email us at contactsyne@yahoo.com.

13. CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems and mobile applications include a Do-Not-Track (“DNT”) feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected. At this stage no uniform technology standard for recognizing and implementing DNT signals has been finalized. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online. If a standard for online tracking is adopted that we must follow in the future, we will inform you about that practice in a revised version of this privacy notice.

14. DO WE MAKE UPDATES TO THIS POLICY?

***In Short:** Yes, we will update this policy as necessary to stay compliant with relevant laws.*

We may update this privacy policy from time to time. The updated version will be indicated by an updated “Revised” date and the updated version will be effective as soon as it is accessible. If we make material changes to this privacy policy, we may notify you either by prominently posting a notice of such changes

or by directly sending you a notification. We encourage you to review this privacy policy frequently to be informed of how we are protecting your information.

15. HOW CAN YOU CONTACT US ABOUT THIS POLICY?

If you have questions or comments about this policy, you may contact our Data Protection Officer (DPO), Koray Uzun, by email at contactsyne@yahoo.com.

16. HOW CAN YOU REVIEW, UPDATE, OR DELETE THE DATA WE COLLECT FROM YOU?

Based on the applicable laws of your country, you may have the right to request access to the personal information we collect from you, change that information, or delete it in some circumstances. To request to review, update, or delete your personal information, please contact us.
